

Dear Cleveland HOG Chapter #3696 Members:

I've been blessed to be your chapter director for the past year and on behalf of our officer team, we wish you all a very Merry Christmas, Happy Hanukkah and Happy New Year!

As this has been a very unusual year with the Covid Pandemic and the many event cancellations, your Chapter would like to announce that all currently enrolled members will receive "free" dues RENEWAL for the 2021 Chapter Year. You will however, still have to sign a new Chapter Release. This only applies to renewals and any "new" members will still have to pay the \$20.00 to join our Chapter.

Although we held very few events and had little to no volunteer opportunities, a very dedicated group of you still attended our meetings, dinner rides, and the annual clambake in October! And as an aside, it was also great to see so many of you on our regular Saturday morning breakfasts at the Harley Diner. In spite of shut downs and Quarantines, we still maintained our camaraderie and friendship.

I especially want to point out your enthusiastic participation in our ride calendar this past season. We hoped you would increase your time spent with us on our planned rides and as a result, the attendance on most group rides was unprecedented! I especially want to thank Head Road Captain, John Kloock, for organizing our rides, setting up food destinations, and having well-planned routes in what has been a challenging year.

South East Harley Davidson graciously supports us and we actively support them. The affiliation we share with our dealership surpasses all and you should be proud that you're a part of the most active and longest running chapter in Northeast Ohio.

The officer team and I would like to say what an honor and pleasure it has been to serve as your leaders this past year and we look forward to your continued support and involvement for 2021.

I look forward to serving you for the next year, 2021, as do the other Officers of our Chapter. The current slate of officers will remain the same for the 2021 Chapter year.

Again, on behalf of all of the officers of Cleveland Chapter HOG, please have a Merry Christmas, Happy Hanukkah, and a very Happy New Year and always have fun riding! See you on the road!

And to those of you who decided to maintain safe distancing, we hope to see you back again in 2021.

Sincerely, Joe Rothbrust
Director, Cleveland Chapter HOG
